This scheme is to commemorate the Olympic Games in London 2012. The Olympic motto **Citius Altius Fortius** meaning Swifter, higher, stronger symbolises these strong, vibrant colours which invoke qualities of optimism, courage, determination and victory over all adversity. As we follow the Olympics in the next few weeks perhaps we will feel inspired to reach higher and overcome personal challenges in our own daily lives?

Use tones of these DMC shades to create a colour scheme for your embroidery.
