

# Victoria Falls

## DMC Stranded cotton

This scheme was inspired by the awesome Victoria Falls or Mosi Oa Tunya (the smoke that thunders) as it is known by the locals. The colours of the surrounding African bush, warm blue skies, wild game and vibrant sunrises/sunset shown here in warm earthy tones of brown, gold, blue and red.

Use tones of these DMC shades to create a colour scheme for your embroidery.  
Anchor substitutes can be found at <http://www.cyberstitchers.com>.
