

## **COLOUR CONFIDENCE BOOK – TRISH BURR. ETERNA CONVERSIONS TO DMC STRANDED COTTON**

Please note that where Eterna silk has been used in the project it is usually a duplicate of a shade already used – it is used to enhance fine details but any similar shade in one strand of DMC will have the same effect.

### **Sacred Kingfisher**

Eterna	DMC
202	3021
208	3799
