DMC Stranded cotton

Accent shades

This scheme was inspired by a painting by Mary Cassatt, American Impressionist painter May 22, 1844 – June 14, 1926. Accent shades of red & deep navy against a backdrop of golds, whites and smokey blues. Use dark accent shades sparingly.

Use tones of these DMC shades to create a colour scheme for your embroidery. Anchor substitutes can be found at <http://www.cyberstitchers.com>.
