

Johannesburg Workshop

Nuthatch in Spring

Description: This charming little nuthatch bird with flowers is the perfect design for learning the technique of needle painting embroidery. You will learn the basics of long & short stitch, how to direct your stitches to fit a curve and how to enhance your embroidery through the correct use of colour and shading. The project is designed so that you will have completed the bird within the class. The techniques will be clearly demonstrated using slide shows, video and individual demonstration.

Tutor: Trish Burr, Cape Town, South Africa.

Level: All Welcome but some previous experience of embroidery would be helpful.
